Verse 2:

So here we are alone again, didn't think it'd come to this.
 And to know it all began with just a little kiss.
 I've come too close for happiness to have it swept away.
 Don't think I can take the pain no, never fall again.
 Kind of late in the game and my heart is in your hands.
 Don't you stand there and then tell me you love me then leave again.
